CHOCOLATE MAKING: Learn how to make delicious medicated chocolate truffles. Portland, 4:20 p.m.

BUBBLE CLASS: Learn how to glean medicine from waste using water and ice. Portland, 4:20 p.m.

The Faces of the OMMP Event was a Success!

Thank you to all of you who made the trip to the Capitol on April 13th. The turn-out was great, and many patients were able to meet with their legislators to discuss their positions on pending legislation. The speaker's presentations were a hit; the audience was so large that we ran out of chairs (we're so sorry to those of you who had to stand!).

Though this event let our presence be known in the halls of the Capitol, we're not quite in the clear yet as far as legislation is concerned. There is a series of law enforcement-sponsored Senate bills that have not yet been scheduled hearing dates, and

though it appears that we have successfully defeated the dangerous AOI-sponsored measures, we can't be certain until the session is over in June. Thank you so much to all of you who wrote or spoke with your legislators- your efforts seem to have paid off- but make sure to keep calling and writing until the 2009 session officially comes to a close.

Lastly, thank you so much to all of you who volunteered and came to Salem to help MAMA on the 13th. Your participation and support helped to make this event a success. We are so grateful.
